**FOR IMMEDIATE RELEASE**

### **MAIDS ON A MISSION JOINS A NONPROFIT**

**San Antonio, TX – August 13, 2019** – Maids on a Mission, Inc., launched on August 1, 2019, has teamed up with Cleaning For A Reason, an international nonprofit serving cancer patients through free house cleanings. With a passion for helping families, Maids on a Mission wants to extend their reach to include charitable cleans for households battling cancer.

“Maids on a Mission is excited to join Cleaning For A Reason and help cancer patients focus on their health and family, while we focus on the home,” said owner Tammy McRae. “This service is one of the premier missions that makes our name, Maids on a Mission, be more than a name, but a reality!”

Through partnership with Cleaning For A Reason, Maids on a Mission assists cancer patients by cleaning two homes per month for two consecutive months free of charge. This will be an ongoing service to cancer patients residing in San Antonio.

“Both Tammy and I have had close relatives battle cancer, so we understand that any help for families dealing with this terrible disease is needed and appreciated,” said President Morris McRae.
